

Communication for all travelers travelling to Belgium from UE countries which are red zones

BEFORE your trip - fill in the DECLARATION OF HONOR & PLF FORM

N.B. : ** The quarantine may be waived temporarily to perform an essential function or to meet the essential need of the trip, if that activity cannot be postponed / If your 7th day PCR test is negative, the quarantine may be reduced to a minimum of 7 days.

We remind you that you can find:

- **All measures taken by the Belgian Government** relating to the coronavirus on the website "[THE NATIONAL CRISIS CENTRE](#)". An uninterrupted source (24 hours a day, 7 days a week) providing the collection, analysis and publication of all kinds of urgent information for the relevant authorities ;
- You can also consult [THE GENERAL SITE OF THE FEDERAL PUBLIC SERVICE PUBLIC HEALTH ON THE CORONAVIRUS](#) which also provides full information on the current measures against coronavirus ;
- Set up by the European Union, [RE-open EU](#) is a tool that provides an **overview of the health situation in European countries**. The information is updated frequently and is accessible in 24 languages. You can follow the evolution of the coronavirus situation in your country and abroad ;
- A **toll-free number** is available for all your questions: **0800 14 689**. This number is accessible from 9 a.m. to 5 p.m. on working days ;
- For all information on the **measures taken by the Brussels authorities** [CORONAVIRUS.BRUSSELS](#) ;
- If you are looking for a **testing center**, please click [HERE](#) ;
- If you are **resident in the Brussels-Capital Region** and you **do not have a regular doctor**, call **1710**. Set up solely for inhabitants of Brussels, this line gives access to a list of general practitioners who can advise you on your state of health and guide you appropriately. It is **primarily intended** for people with cough, cold or fever symptoms, who suspect they are infected with coronavirus. An uninterrupted response is assured (24 hours a day, 7 days a week).
